

Economic Impact “Stimulus” or “Recovery Rebate” Payments and Advanced Child Tax Credit Payments Received

Fill out form as accurately as possible. Discrepancies may cause delays in your tax return. If payments were directly deposited into your bank account, see bank statements for 2020/2021.

*For MFJ (Married Filing Jointly), payment(s) received will show double the amount due. For example: if letter 6475 shows Payment 1 received was \$1,450, your actual payment received would have been \$2,900.
